

## Paul R. Fisette

---

Professor and Department Head  
Holdsworth Natural Resources Center  
University of Massachusetts  
Amherst, MA 01003-9285

413-545-1771  
pfisette@nrc.umass.edu

### EDUCATION

---

- M.S. 1986 Wood Science and Technology  
University of Massachusetts, Amherst, MA  
B.S. 1984 Wood Science and Technology (cum laude)  
University of Massachusetts, Amherst, MA  
A.S. 1971 Business Administration (cum laude)  
Johnson and Wales University, Providence, RI

### PROFESSIONAL EMPLOYMENT

---

2007 – Present Professor and Department Head, Department of Natural Resources Conservation, University of Massachusetts, Amherst, MA.

*Responsibilities:* Direct and lead an interdisciplinary program of graduate and undergraduate teaching, extension, and research in a large department focused on natural resources conservation. Work with cooperators, industry groups, government organizations, and professional associations from a variety of areas involved with built and natural environments. Administer departmental budgets, hiring faculty and staff, oversee physical facilities, 2000 acres of forestland, and work within a large multidisciplinary college to provide a coordinated effort among departments. The Department of Natural Resources Conservation offers one Associate Degree program in Arboriculture; five Bachelor Degree programs in Building Materials & Wood Technology; Environmental Science; Forest Conservation; Natural Resources Studies; and Wildlife & Fisheries Conservation; and two Graduate programs in Forest Resources, and Wildlife and Fisheries Conservation.

- 1988-2007 Director of the Building Materials and Wood Technology Program  
University of Massachusetts at Amherst, MA  
2006-Present Professor, Univ. of Massachusetts, Building Materials & Wood Technology  
2006-Present Professor, Univ. of Massachusetts, Architecture & Design  
2000-2006 Associate Professor, Univ. of Massachusetts, Building Materials & Wood Technology  
2004-2006 Associate Professor, Univ. of Massachusetts, Architecture & Design  
1997-2000 Assistant Professor, Univ. of Massachusetts, Building Materials & Wood Technology  
1988-1997 Lecturer, Univ. of Massachusetts, Building Materials & Wood Technology  
1986-1988 Senior Editor, Custom Builder Magazine, Peterborough, NH  
1973-1986 Building Contractor

## TEACHING EXPERIENCE

---

Developed and taught the following courses at the University of Massachusetts, Amherst, MA

- Energy Efficient Housing
- Building Physics I
- Building Materials I
- Building Materials II
- Principles of Light-Frame Structure Technology
- Tectonics I
- Architectural Blueprint Reading and Estimating
- Seminar: Careers in Building Materials Industry

1990-Present Chief Undergraduate Advisor

1994-Present Lead the development of *The Massachusetts Higher Education/Building Materials Industry Consortium*; coordinated undergraduate student internships with industry; and directed the placement of graduating seniors.

## RESEARCH AND PROFESSIONAL FOCUS:

---

- Performance of building systems
- Energy-efficient construction
- Sustainable development and resource efficiency
- Influence of moisture on wood and buildings
- Material and product performance
- Structural properties of building materials.

## UNIVERSITY SERVICE

---

- Organize and initiate promotional activities for Building Materials program
- Provide technical expertise to industry and general public.
- Develop and maintain relations with industry professionals and associations.
- Secured more than \$750,000 as unrestricted industry support.
- Department personnel committee (1991-Present; Chair 1997, 2000, & 2004)
- College personnel committee (2001-2003; Chair 2001, 2002, and 2003)
- Department computer committee 1994-1997.
- Department facilities and equipment committee 1993- 1997
- Coordinated Industry Advisory Board activity.
- Developed innovative web service <http://www.umass.edu/bmatwt>
- University of Massachusetts Faculty Senator 1997-2000.
- College curriculum committee 1998/99 - 2000/01
- A variety of other departmental & college committee participation

## PROFESSIONAL SERVICE

---

- 2007-2008 National Academy of Sciences, Center on Economics, Governance, and International Studies (CEGIS) of the National Research Council - Committee to Evaluate the Research Plan of the Department of Housing and Urban Development.
- 2005-2006 National Academy of Sciences, National Research Council - Committee to conduct a Review and Assessment of the Health and Productivity Benefits of Green Schools.
- 2003-2006 Underwriters Laboratories, UL Standards Technical Panel for Fabricated Scaffold Planks and Stages, STP 1322 pursued as American National Standard.
- 2002-2008 National Academy of Sciences, Board on Infrastructure and the Constructed Environment (BICE), charged with addressing questions of technology, science, and public policy applied to the relationship between the constructed and natural environments and their interaction with human activities (September 2002 – 2005, Reappointed through 2008)
- 2001-2006 Editorial Board, Smart HomeOwner Magazine. Navigator Publishing, LLC
- 2000-2004 Board of Directors, Lumber and Building Material Dealers Foundation
- 2000-2003 National Academy of Sciences, National Research Council - Committee to provide Oversight and assessment of the Department of Housing and Urban Development's Partnership for Advancing Technology in Housing in the USA.
- 2000-2001 "Building Science Forum" Moderator for JLConline, Journal of Light Construction
- 1995-1998 Northeast Sustainable Energy Association Quality Building Council Steering Committee
- 1994-1998 Commonwealth of Massachusetts Dept. of Environmental Management  
Member of the Site and Building Design Committee for DEM's Greylock Center Project
- 1994-2004 Northeast Retail Lumber Association.
- Education Committee.
  - *Building Material Specialist* Certification Committee
  - Long Range Planning Committee
- 1993-1999 National Institute of Building Sciences  
Lead-Paint Guide Specifications project committee (1993-1994)
- 1993-Present Temperate Forest Foundation, Beaverton, Oregon, Scientific Advisor
- 1993-Present University coordinator for relations with Habitat for Humanity
- 1993-1994 State of Massachusetts, Dept. of Environmental Management.  
Greylock Advisory Committee's Sustainable Development Sub-Committee.
- 1993-2000 Building Environment and Thermal Envelope Council, Wash. D.C, review committee
- 1992-Present National Research Initiative Competitive Grants Program, peer reviewer USDA
- 1992-2001 Environmental Building News Advisory Board member
- 1992-1995 Building Research Journal Editorial board member
- 1990-1994 The Commonwealth of Massachusetts Dept. of Public Health  
Member of Deleading Technology Task Force, Engineering committee
- 1990-Present Journal of Light Construction Contributing Editor
- 1990-1996 National Consortium of Housing Research Centers
- Founding Director of Housing Research Center at the Univ. of Massachusetts
  - Member of the Consortium Technology Transfer Committee (Chair 1993-1996)
  - Elected to the Executive Committee of Consortium 1993-1996
- 1990-1994 Northeast Sustainable Energy Association (NESEA)
- Program Committee (1990, 1991 & 1994 Session Chair) for NESEA's Advanced Residential Construction Conference and Exhibition
  - Member of the NESEA Quality Building Counsel

## HONORS

---

- Xi Sigma Pi, Forestry Honor Society
- Sigma Xi, Scientific Research Society.
- *Excellence in Advising Award* , College of Food and Natural Resources 1995-1996
- *Certificate of Achievement for Outstanding Outreach Contributions*, College of Food and Natural Resources, University of Massachusetts 1999 – 2000
- *Certificate of Achievement for Excellence in Service* Department of Natural Resources Conservation, University of Massachusetts 2002
- Nominated for University Outstanding Advisor Award 2004
- Nominated for University Distinguished Teaching Award 2003 & 2005

## LICENSES AND PROFESSIONAL SOCIETIES

---

- Massachusetts State Construction Supervisor's License No. 009286
- Commonwealth of Massachusetts Real Estate Brokers License 1978-Present
- Member of the Forest Products Society 1983 - Present
- Member of Hubbardston Massachusetts Conservation Commission 1984-87
- Member of the Society of Wood Science and Technology 1984-1993
- Member of the National Institute of Building Sciences 1993-Present
- Member of the Northeast Sustainable Energy Association 1993-Present

## INVITED PRESENTATIONS

---

Provide numerous invited presentations to professional organizations; educational institutions and governmental agencies. Frequently provide guest seminars to public and private groups.
